

Location: Dewitt Auditorium

REQUIREMENTS: In order to participate in a spring dance concert:

Dancers must maintain good attendance in class throughout the year. In the case a dancer misses more than two classes in one semester, especially in the months of February-June, it is up to the discretion of the instructor to determine if absences have led to a student not being prepared for the show. Please report absences by emailing your instructor.

Parents/Guardians will pay a Recital Fee. Listed Below

Recital fees are non-refundable and costumes are non-returnable. Parent/Guardians will take full responsibility of child's costume and any alterations it may need to fit well.

Dancers must have the proper shoes and tights for performance. These items are NOT included with the recital fee unless specifically stated. See website or instructor for specifics.

Additional Considerations:

Additional costs include tickets to the performance which are \$8 for students and seniors and \$10 for adults. Revenue from tickets help to cover dance staff, stage crew, capital improvement projects (studios, dance floors) and all other expenses that come with running a dance program

In addition to becoming technically proficient dancers, the Zeeland Recreation Dance program encourages dancers to be courteous students and citizens. Dancers will be respectful of instructors, fellow students, Recreation staff, and the facility and patrons of Zeeland Recreation.

Parents are invaluable to role modeling respectful behavior for children. Parents are asked to treat instructors, substitute teachers, Recreation staff, dancers, fellow parents/guardians, and patrons of Zeeland Recreation with consideration at all times.

There are multiple shows as a single show would run too long in length. Unfortunately, it is impossible for us to assign shows to keep all students in only one show or families together.
